**A critically acclaimed, multi-award-winning play. SHIT is about terrifying, awful, hilarious women. Angry, nasty and out of control, they're everything women shouldn't be, and we hate them. They're mean, foul-mouthed, downtrodden, hard-bitten and utterly damaged. They believe the world is shit, that their lives are shit, that they are shit.**

**This is a story about three of those women. Their names are Billy, Bob and Sam.**

**Exactly 15 years since THISISPOPBABY came out of traps with *Danny & Chantelle (Still Here)*, this new Irish production of *SHIT* is a compelling, raw, powerful and timely treatise on misogyny, class and poverty.**

***This show contains strong language and mild nudity.  
Recommended age of 14+***

**A THISISPOPBABY production.**

**Funded by the Arts Council.**

**Special thanks to Annie Ryan, Lara Hickey, Barbara Hughes, Suzie Cummins, Aoife Duffin, Helena Walsh, Fi McCann, Marella Boschi, Tee Elliot, Éanna Whelan, Nic Ree and all at Project Arts Centre.**
